

Please DO NOT change anything that would interrupt my K-LOVE radio station. My family and I enjoy the positive, family friendly and encouraging music and message we listen to everyday. This radio station encourages so many people in this Greensboro, NC area. We don't have many other alternatives. I love this station because when my radio gets turned on, it is always tuned into K-LOVE and I don't have to be concerned what my kids will hear. K-LOVE always broadcasts wholesome values for all to hear.
